***Reminder: 2012 Congressional District Profile – State Review Period***

From August 6<sup>th</sup> through 13<sup>th</sup>, the 2012 Congressional District Profiles will be available for state review. The Congressional District Profiles are an annual EDFacts publication that compiles the latest education data available for each congressional district. The Profiles are used by the U.S. Department of Education, as well as by Members of Congress and their staff. The state review period gives states a chance to review their data as they appear in the Profiles. Your participation in the review period is optional, but in the past states have found the review period helpful in identifying areas of missing data or data quality issues. On Monday, August 6<sup>th</sup>, all EDFacts submitters received an email containing further instructions on how to access and review the Profiles in the EDFacts Reporting System.
